views of Jefferson on the subject of curren- Convention for the nomination cy; but they may not know what were the of Congress for this state, &c. sentiments of Washington on the same subject. We now place before them a letter from Washington to Mr. Thomas Stone, which we ask them to read weigh, at its of the legislature, & other friends of the positions and the reasons, then they will be able to the present adn grounds accupied by the stitution. We ask our the letter, and, as they pr the opinions of this great perceive that they perfectly those maintained by his cou fersen and Madisen:

Mount Vernoy Feb. 16, 1787.

TO THOMAS STONE: Dear Sir:-Your favor of the 30th uit. came duly to hand. To give an opinion in a case of so much importance as that which through as has warmly agitated the two branches of his means a knowing the opini the legislature, and which from the appeal tellow-citizens generally, have been amplehaps dangerous divisions, is rather a delicate the leading democrats generally, in the artimatter; but as this diversity of opinion is on Maryland or of this State was convened, I do not scrople to declare that if I had a voice given decidedly against a paper emission, up | vention representing that strength. on the general principle of its mutility as a representative, and the necessity of it as a

To assign reasons for this opinion, would be as unnecessary as tedious. The ground Jech has been so often trod, that hardly a place remains untouched; in a word, the necessity arising from the want of specie is represe ted as greater than it really is. I contend that it is by the substance and not by the shadow of a thing that we are to be benefittion keeps pace with quantity of the emismer; the planter, the artizan, benefitted?-The debtor may be, because, as I have obsermust be that or nothing. An evil quality great, is the door it immediately opens for ing and crafty speculators,

But contrary to my intention and declaration I am outring reasons in support of my before a justice of the peace, and we under-nearth, finely watered, and one of the most low, old deacon B's eldest son. At this un-cracy of the union on the great gain to their before a justice of the peace, and we underare least palatable to the advocate of paper siand was only held to bail to appear at court buildings are a concluding a conclusion and a conclusion are a conclusion at a conclusion are a concl money. I shall therefore only observe gen- in the event Roark should die. the former emissions, that like a burnt child who dreads the fire, no person will touch it who can possibly avoid it-the natural con- Federal party is about breaking up in a row. sequences of which will be, that the specie | The sensible portion of the leaders are sa-

With great esteem and regard, I am dear sir, &c. GEGRGE WASHINGTON.

MARSHALL COUNTY ERECT-DEMO-

CRACY TRIUMPHANT. of our whig friends, we have elected our candidate, Rogen Banros, Esq. to the State Legislature,-to succeed Col. WM. DAVIS resigned,-by the handsome majority of 142 cians among his friends, while Clay has his votes over Mr. Blackwell, the highly respectable and worthy candidate of the whig party. This result, when all the circumstance adquaintance with the leading federal politi- central part of the county.
